### New Book Announcement

The Italian American Press is pleased to announce the posting of *Olivia and the Little Way* written by Nancy Carabio Belanger and illustrated by Sandra Casali LewAllen.

Fifth grader Olivia Thomas has moved to a new school in a new state, and is eager to make friends! Her best friend quickly becomes someone she has never seen — St. Therese of Lisieux. Follow Olivia's trials as she tries to fit in at St. Michael's School. With the help of her grandmother, she learns about the "Little Way" of serving God and how it can change everything!

This touching and heartfelt novel celebrates the life of St Therese and will inspire young readers to follow her example and discover their own "Little Way" miracles. Nancy Carabio Belanger's inspiring book, targeted toward children ages 8-13, is beautifully illustrated by Sandra Casali LewAllen.

The Catholic Press Association has written the following about *Olivia and the little Way*: "This book offers a unique and fresh way to celebrate the life of St. Therese of Lisieux. It is a wonderful and engaging novel suitable for all but especially for 'tweens. They can share Olivia's life lessons as she deals with different relationships and real challenges."
