Donations to Festa Italiana/Italian Community Center Italian Earthquake Relief Fund - now accepted on websites.

The recent earthquakes in Italy have now killed more than 300 people. And government estimates indicate that as many as 50,000 people of all ages may be left homeless -- more than at any time in Italy since World War II.

To assist those who want to help the homeless in this tragedy, and to provide a means of giving that assures reliability and immediate, direct help, the coordinators of Milwaukee's Festa Italiana, through the Italian Community Center, Inc.*, have established a relief fund to provide assistance directly to those specific charities working with the homeless in the devastated areas of the Abruzzi region. All donations will be held in a special account at National City Bank.

As of April 16th, donations in any amount may be made on these websites:
www.FestaItaliana.com or www.ItalianCC.org.

Donors will receive a receipt by email for their tax-deductible donation.

Donations may be made in person at any National City Bank location in SE Wisconsin.

For a tax-deductible contribution, checks should be made out to:

Checks may be mailed to:
