

Dear President

as I told you, I am very pleased to announce that the University of Milan will provide 60 scholarships to attend courses at international language and Italian culture to be held at the Palazzo Feltrinelli in Gargnano del Garda in the months of July and August 2010.

The scholarships include: attendance at a course in Italian language and culture for three weeks, canteen at Palazzo Feltrinelli, accommodation at the University or staying with families of Gargnano.

The scholarships are for students who have a fair knowledge of Italian: the new call for the scholarships in 2010 will be published in November 2009 on the site of the University's Center for the Promotion of Language and Culture Italian www.calcif.unimi.it.

Please publish the news on your site and that of "Lombardi in the world" to give to some deserving students the opportunity to make this beautiful experience in one of the most beautiful places in Lombardy.

I hope that some grants may be used by "Lombardi in the world" to consolidate the knowledge of our language and our culture! I advise you to log into our website to see the programs of recent years and the many other activities of the Center.

For details, interested parties may contact the course secretary: gargnano@unimi.it

Of course, you also contact me for any clarifications (3391646447).

Greetings friendly

Silvia Morgan
